Organised by

SIDANA INSTITUTE OF EDUCATION

KHIALA KHURD, RAM TIRATH ROAD, AMRITSAR.

ABOUT AIAER :

AIAER is the leading national professional body of academicians, policy makers, administrators and all other stakeholders of education. It is mainly concerned with the researchers in various fields. It is established to address itself to the problems of research in Education. It is much concerned with the researches in quality education in India: its issues, concerns, challenges and development. The main objectives of AIAER are to develop and promote educational research and to provide a forum for discussion of problems related to educational research. It also disseminates the findings of the research and it co-operates with the organizations engaged in it. Therefore, it conducts workshops, seminars, conferences etc. on educational research and publishes journals, monographs and other type of literature on educational research. Along with the members from all the States of India, there are more than 99 foreign delegates from different countries are also the members of this association and thus it becomes the International Association of Educational Research.

ABOUT SIDANA INSTITUTE OF EDUCATION :

Sidana Institute of Education is established under the aegis of Sidana Educational and Welfare Society in the year 2010. Sidana Institution of Education is promoted by a group of educationists and teachers. The Institute is dedicated to the noble cause of preparing visionary teachers. This premier institute has been duly approved by NCTE, Jaipur as well as by Punjab Government and affiliated to Guru Nanak Dev University, Amritsar. Sidana Institute of Education aims to bring a marvelous by change in the field of teacher education.

Active, smart, well equipped teachers enriched with knowledge of all modern teaching techniques are going to be the product of Sidana Institute of Education, Khiala Khurd, Near Ram Tirath, Amritsar is going to be one of the premier institutions in this border area of Punjab. It is a self-financed privately managed college aiming to impart best teacher education. It has well organized infrastructure and modern teaching methodology to meet the needs of the students of 21st century. In essence students get the best faculty, facilities, learning environment and opportunities for a head start in life. SIE embraces such goals of higher education for the future, which are strategic in dimension and broader in vision. The college aims to provide students with the best employment prospects and equip them to face all challenges and problem in their professional life. Our objective is to develop an insight which equips the prospective teachers to tackle all situations and to increase their potential to meet all kinds of job requirements.

Our institutions are spread over 10 acres of land, offering various courses in Education. We have got a lush green campus and separate PG Facility for boys and girls in the city on demand. Hi-Tech, Wi-Fi and well equipped Computer Labs, well stocked library and ultra modern infrastructure are the strength of the institution. The college is affiliated to GNDU, Amritsar and is recognized by NCTE (National Council for Teacher Education) and Govt. of Punjab.

ABOUT AMRITSAR :

Amritsar historically also known as Rāmdāspur and colloquially as Ambarsar, is a city in north-western part in India. It is the spiritual centre for the Sikh religion and the administrative headquarters of the Amritsar district in the state of Punjab. Amritsar is one of the largest cities of the Punjab state in India. The city origin lies in the village of Tung, and was named after the lake founded by the fourth Sikh Guru Ram Das in 1574 on land bought by him for 700 rupees from the owners of the village of Tung. Amritsar's International Airport, Sri Guru Ram Dass JI International Airport, has more than 160 domestic and international flights during the week with daily connections to Delhi, Mumbai, Kolkata, Chennai, Bangalore, Hyderabad, Pune, Ahmedabad, Jaipur, Chandigarh, Srinagar, and Jammu etc. in India and international flights to London Heathrow, Doha, Sharjah, Ashgabat, Tashkent, Dubai.

ABOUT THE CONFERENCE:

The conference shall have (1) Experts' Lectures (2) Theme wise Paper Presentations (3) Dialogue Mode Paper Presentations (4) Talking Circle and (5) Poster Presentations.

Main Objectives :

- To bring different institutions and individuals engaged in researches and in various activities relating to higher education within the country together to share their ideas, information, and experiences on Quality Education in higher education..
- Reflect on different issues, ideas, strategies, methodologies and identify appropriate tools through researches so as to find out different ways and means of using them towards ensuring quality in higher education.
- Examine the feasibility and applicability of various approaches, models and practices available through researches towards quality assurance and standardization and workout future perspectives in higher education.
- Focus attention towards creating an appropriate environment for a regular interaction for researches and feedback amongst the participants towards a fruitful future orientation on Quality Assurance and Maintenance in higher education.

MAIN THEME OF THE CONFERENCE:

Higher Education : ISSUES, CONCERNS, CHALLENGES AND DEVELOPMENT

Sub-Themes:

- New Trends in Various Branches of Education
- New Trends in Researches
- New Trends in Examination and Evaluation
- New Trends in Values of Life
- New Trends in Learning and Teaching
- Best Practices and Innovation in Education

The theme, 'Higher Education – Issues, Concerns, Challenges and Development' is need of the day and experts are required to find out the issues, its concerns, challenges for the development in the Higher Education especially on the background of the globalization. We have to find out answers to the questions like whether everyone needs to take higher education? What type of education is called higher education? What are the new trends in various branches of higher education? Are the researchers following new trends? How the examination system and evaluation system affect the higher education? Are the values of life are changing? What affects on learning system? Is the learning system changing and teaching methods are getting new approaches? Are we adopting any best practices and innovations in Higher education? To find out all these answers we have to study the concerns and issues in higher education. We have to also find out the challenges in Higher education. And to get remedy to reshape our education system for the development of the individual and at the same time of the society at large. We have to consider role of technology in higher education and accept the new classroom situation. It is because Open Education Resources (OER) are available and any one can use them from anywhere. Education is now, becoming e Education. Distance Education System is growing fast and therefore the concept of On Line Examination and Open Book Examination System is coming forth. Experts are busy in finding out Best Practices and are behind the New Innovations. Therefore, the theme and the subtheme subjects are for the discussion and for getting collective thoughts for maintaining quality in education in higher education.

CALL FOR PAPERS**Submission of Papers**

Participants are invited to submit their abstracts online on the main theme or on anyone of the sub themes of the conference. Once approved, the participants will be notified to submit the research papers. The papers will be reviewed by the paper review committee.
